Dear parents,

Thank you for all your support and patience over the last two weeks, it has been wonderful to see all the children back at school! We've been so impressed with how well the children have settled back into the routines of school as well as how eager they are to learn. The morning arrangements have been really successful and we now feel we are ready to return to our soft start system for all children.

Morning arrangements:

- From **Monday 21st September** we will be returning to our soft start system.
- On arrival, please wait outside the entrances, ensuring you keep socially distanced from others.
- Between **8.50-9.05am**, the children will be able to enter the school through their designated gate and go straight to their classroom where the class teacher will meet them. Once in class, the children will have the opportunity to have breakfast with their peers.
- Parents are not permitted to come into the school playground and will still need to continue to say goodbye at the gate.
- For children in Year 6, they will enter through the large playground from **8.45am**.
- For children in **Year 5 and Year 2**, they will enter through the **large playground** between **8.50 – 9.05am**.
- For children in **Year 4, Year 3 and Year 1**, they will enter through the **small playground** between **8.50 – 9.05am**.
- For children in **Reception and Nursery**, they will arrive through the Nursery entrance on Coldham Grove. Please see times below.
- Everest/Olympus will enter via the main office at **9.00am**

End of day arrangements:

- Times for collection will remain staggered, and children will need to be picked up from the playground they entered in during the morning.
- We will continue to close early on a Friday and this will be in place up to the October half term. This earlier closing time is part of our many safety measures that we are putting into place – it reduces number of staff going into different class bubbles and provides us with the time to have thorough cleaning too.
