**Headteacher: Zoe Hussain**

29.1.21

Dear parents and carers,

As all children have been provided with a Chromebook, it is now more accessible for children to access live sessions that are conducted by their teacher.

Each day your child should log on to the **9.30am Googlemeet** to talk to their teacher and see their classmates. During this time the teacher will discuss their wellbeing, how well they are doing in their learning and explain the days activities. This is an excellent opportunity for pupils to see their teacher and their friends. If you are unable to access the googlemeet, please email on [help@chesterfieldprimaryelt.org](mailto:help@chesterfieldprimaryelt.org) or call the office on 01992760678 and Debi or Ricky will support you with this.

This 9.30am daily session is accessible through the Googlemeet link that is posted in your child's Seesaw account at 9.20 daily. Please be mindful that these live sessions are for your child. If a parent has a question then this needs to be communicated in the usual way via the school office phone or class email address. These sessions will last for 15 minutes.

It is vital that your child accesses these sessions and then completes the work set by their teacher. This will provide routine and structure to your child's day and make home learning easier to manage. The teaching sessions are pre-recorded so that children can watch and listen more than once if they need to in order to understand what they have to do.

As a school we are tracking attendance the same as if the children were on site, as we want to ensure the least possible disruption to your child's education and their future. Therefore, you will be contacted if your child is not engaging with their learning and if the school has concerns these will be discussed with the Education Welfare Officer.

If you still need to collect your child's Chromebook, please contact the school office and we will arrange a suitable time to collect. If you do not have suitable access to the internet that enables your child to complete their home learning, then please also contact the school office. The Government have introduced a scheme that enables eligible families to gain access to the internet, therefore we may be able to support you.

We look forward to seeing all of our pupils in their virtual classrooms on Monday!

Take care and best wishes

**Zoe Hussain & Kelly Gradwell**
