Headteacher: Zoe Hussain

Dear Year 6 parent/carer,

Following a wonderful start to the school year the children have all settled in well to their class and are now ready to really make great progress and catch up on the learning they have missed out on over the last two years. Our priorities are obviously in reading, writing and maths and there are several ways in which we would like you to support the children.

Reading - it is essential that the children read every day at home, please listen to your children read for 10 minutes every day and record this in their reading record. We will check the books daily and any children that have not managed to read at home, will be listened to by school staff, during playtime.

Reading Eggs – at least one reading lesson a week to be completed.

Spellings - each week the children will come home with a list of approximately 10/12 spellings they need to learn. Please help your child practice these each day ready for a weekly spelling quiz.

Maths - encourage your child to spend a short amount of time each day practising on TT Rockstars **ALL the times tables up to 12 x 12**. Mathematics – they will have one activity of 10 questions set by their teacher.

CGP books are also a great way for revision. The class teacher will set the pages weekly.

Thank you for your support. If you have any questions please contact your class teacher.

Emma Fowler
