Dear Parents and Carers,

As we are nearly at the end of this half term I wanted to write to you, firstly to extend our thanks for your continued support and to thank parents that have sent in positive messages to the staff in our schools. We are proud of our community and how we have worked incredibly hard together during these challenging times.

We are working together with Enfield Learning Trust to look at ways in which we are working towards the next stage of the government's road map on 21<sup>st</sup> June 2021. The guidance for schools was recently updated but there were very few changes to the daily operations for schools. The message was very clear to maintain the systems of control and avoid mixing too many groups of pupils. The virus sadly is still with us so we must continue to follow the rules set out in each school until we are directed otherwise.

We still require all parents/carers to wear a face covering when entering the school grounds even if you have been vaccinated. Many of our families and staff are still waiting for their first vaccination so please support us in this request and keep everyone safe.

We will continue to keep in touch if we need to make changes due to new government guidance and how things will gradually change. We must however warn you that we are unlikely to see any significant changes until the Autumn term, as we will be taking a measured, cautious approach moving forward. We return to school on **Monday 7<sup>th</sup> June** and we wish you a lovely half term break.

Stay safe, keep healthy and look after yourselves and your family.

Kind Regards,

Zoe Hussain and Kelly Gradwell
