25.01.2022

Dear Parents

Year group closure – Year 5

We have been advised by Public Health England that there have been a number of confirmed cases of COVID-19 within **year 5**. In order to try and stop the further spread of the virus across the school **we will be closing year 5 for the rest of this week in the hope that we can reopen this bubble on Monday 31st January.**

Chesterfield Primary School remains open and all other year groups should continue to attend as normal if they remain well.

Home learning will be shared with you using Seesaw. The children will need to login on their Chromebooks to access the learning.

If you need any support please email the class teachers on the following email addresses:

argentina@chesterfieldprimaryelt.org

brazil@chesterfieldprimaryelt.org

peru@chesterfieldprimaryelt.org

Please support us by testing your children **daily for 7 days** with Lateral Flow Tests to help catch any cases early. You can order tests here: <https://www.gov.uk/order-coronavirus-rapid-lateralflow-tests> or pick them up from pharmacies.

Please Let us know id your child test positive by emailing the school office on office@chesterfieldprimaryelt.org or calling on 01992760678.

If your child has Covid symptoms, but has not had a positive Lateral Flow test, please book a PCR test via gov.uk.

Collecting siblings – As long as your child tests negative on a daily Lateral Flow tests, it is fine to bring them with you to drop off or collect siblings. However, if the have Covid symptoms or they have tested positive, they should be kept safely at home.

We are hoping by taking these measures we will reduce the spread of Covid in our school and community and we will be able to welcome your child back to school soon.

Kind Regards,

Zoe Hussain and Kelly Gradwell
