M

SCHOOL VALUES AND

Conita

BEHAVIOUR EXPECTATIONS

SOME REMINDERS

School Uniform

ChromeBook

Water Bottle

Reading Record

**No scooters on
playground**

**Walk, do not ride
or scoot on the
playground**

We do not allow bikes or
scooters to be ridden on site

Children and adults should dismount at the school gate,
park bikes and scooters and walk into school

At the end of the day, scooters should not be ridden until
you leave the school premises

PE DAYS

- ✓ Brunel: Monday
Turing: Friday
- ✓ Active PE Uniform

ATTENDANCE

Good attendance means:

Being in school at least 96% of the time, that's at least 182 days a year.

Target
96%+

175
Days are not spent
in school each
year.*

*Plenty of time for shopping
holidays and appointments

SERIOUSLY WORRIED
Very poor attendance has a serious impact and reduces life's opportunities

VERY CONCERNED
Poor attendance gives less chance of success

WELL DONE
Good attendance gives the best chance of success

ML ABSENCE

01992 760678

Coughs
Colds
Sniffles

Not sure?
Contact Martina
or check NHS

IS MY CHILD TOO ILL FOR SCHOOL?

yes *until...* **NHS**

CHICKENPOX	At least 5 days from the onset of the rash and until all blisters have crusted over.
DIARRHOEA AND VOMITING	48 hours after their last episode.
HIGH TEMPERATURE	If your child has a high temperature, keep them off school until it goes away.
IMPETIGO	Their sores have crusted and healed, or 48 hours after they started antibiotics.
MEASLES	4 days after the rash first appeared.
MUMPS	5 days after their swelling started.
SCABIES	They've had their first treatment.
SCARLET FEVER	24 hours after they started taking antibiotics.
WHOOPING COUGH	48 hours after they started taking antibiotics.

NO

CONJUNCTIVITIS	You don't need to keep your child away from school if they have conjunctivitis. Do get advice from your pharmacist. Encourage your child not to rub their eyes and to wash their hands regularly.
COUGHS & COLDS	It's fine to send your child to school with a minor cough or common cold.
HAND, FOOT & MOUTH	If they seem well enough to go to school, there's no need to keep them off. Encourage your child to throw away any used tissues straight away and to wash their hands regularly.
HEAD LICE	There's no need to keep your child off school. You can treat head lice and nits without seeing your GP.
THREADWORMS	Speak to your pharmacist, who can recommend treatment.
SORE THROAT TONSILLITIS	You can still send your child to school if they have a sore throat. But if they also have a high temperature, they should stay at home until it goes away.
SLAPPED CHEEK	You don't need to keep your child off school if they have slapped cheek syndrome because, once the rash appears, they're no longer infectious.

ML **SCHOOL LUNCH**

All children in primary school receive a free school lunch

Please log in to your Pantry account to choose your child's meal

Healthy packed lunch choices please - and no nuts!

The Pantry will only provide jacket potato and beans for children with no order

Week 1

Spelling practice: Look, say, cover, write, check

Use this sheet to prepare for your spelling test.

This week's focus - Homophones

These words are homophones or near homophones. They have the same pronunciation but different spellings and/or meanings.

Look	Say	Cover	Write	Check	Write	Check	Write	Check
accept								
except								
knot								
not								
peace								
piece								
plain								
plane								
weather								
whether								

HOME LEARNING

Set Weekly - due on Fridays and includes:

- Spelling sheet
- Times table practice for Timetable check test in June
- Reading at home and writing a sentence in reading record daily
- Times table rockstars
- Reading eggs

CURRICULUM INFORMATION

Curriculum Overviews will be sent out
in the coming days
