Reception Tapestry Meeting

Thursday 5th February 2026 – Main Hall

Time: 9:00 am

Dear Parents and Carers,

As you may know, we use Tapestry, an online learning journal, to record and share your child's experiences at school. To help you get the most out of this platform, we would like to invite you to a short workshop.

Tapestry is our primary window into your child's school day. By using it effectively, you can:

- See photos and videos of your child's activities and milestones.
- Understand the Early Years curriculum through the observations we post.
- Contribute from home by uploading your own photos of your child's achievements outside of school.

During the session, we will walk you through:

1. How to navigate the application
2. How to "Like" and comment on observations.
3. How to upload photos from home

If you haven't yet received your activation email for Tapestry, please let the class teacher know and confirm your email address. We will be able to resend the activation email.

We believe that a strong partnership between home and school is key to your child's success, and Tapestry is a wonderful tool to help us stay connected.

We look forward to seeing you there!

Best regards,

The Reception Team`
