

SEND COFFEE MORNING

Friday 6 February 2026 9:00am

Questions about your child's development?

We are hosting a special Coffee Morning on Friday, 6 February at 9:00 am with guests from the **Enfield Advisory Service for Autism (EASA)**.

Navigating local support services can be confusing. The EASA team is here to help guide you through what help is available in Enfield.

Who is this for?

- Parents of children with an Autism diagnosis.
- Parents who have worries or questions about their child.
- Anyone interested in learning more about local support.

No appointment needed—just come along to the Main Hall Doors after drop-off on Friday 6 February.
